- Scholarships and Awards Coordinator
- MPH Revisions Committee Member
- HHS Curriculum Revisions Committee

Research Funding

“Seeking Health Equity: Examining Racism as a Social Determinant of Health”

January – August 2017.

APTR / ODPHP

Principal Investigator for developing a problem-based case study module for health professional students.

Co-Investigators: Professors Courtney Caiola, PhD, MPH, RN, and Crystal Dixon, MPH, MCHES

2. University of North Carolina at Chapel Hill – Center for Health Promotion and Disease Prevention
Research Associate / Project Director / Project Manager

2.1. **Accountability for Cancer Care through Undoing Racism and Equity (ACCURE)**

Project Manager / Director

(July 2012 – July 2016)

<https://clinicaltrials.gov/show/NCT01954641>

My responsibilities included:

Managed the development of an electronic medical record tool used in this NCI-funded, R01, 5-year, health disparities research (African American and White breast & lung cancer survivors), systems-change, anti-racism intervention grant based on the principals of transparency and accountability in medical care. Co-recruited and managed cancer patient recruitment into our study. Co-recruited and oriented all new staff; including physicians, nurses, graduate and undergraduate students. Supervised and participated in quantitative and qualitative data analysis projects. Reviewed medical records for data collection and participant recruitment. Facilitating weekly Steering Committee conference calls. Coordinated the professional development workshops on anti-racism and implicit bias in institutional settings. Supported the management of a supplemental, pilot, exploratory research study and training co-investigators and new consultants.

2.2. **Community Leadership and Reciprocal Development to Advance Community Engaged Research at Two CTSA (Clinical Translational Science Award) Institutions: Administrative Supplement & Taking It To Scale Community Research Fellow / Manager**

(Feb. 2010 – July 2012 – continued to serve as consultant afterwards as needed)

My Responsibilities included:

Developed and delivered workshop modules related to the "Community-Based Participatory Research" (CBPR) approach across North Carolina. Hired and training CBPR Community Experts. Consulted with community-academic partnerships, and community-engaged investigators on using the CPBR approach by co-facilitating 13 charrettes in North Carolina, and co-facilitating Consulting Site Visit at other CTSA, PRC, or university institutions nationally, in partnership with Vanderbilt University. CBPR Charrettes provide consultation and technical assistance to strengthen community-academic research partnerships and accelerate translational research.

2.3. **Cancer Care and Racial Equity Study (CCARES)**

Social/Clinical Research Specialist / Project Coordinator

(April 2007 - November 2009)

My Responsibilities included:

Facilitated the Community and Academic Partnership, while directing daily research recruitment and data collection tasks in this exploratory investigation on the differences/similarities African-American and Caucasian women experienced in their medical treatment for breast cancer after completing treatment in the Cone Health System. Gave monthly updates and collecting advice during the Greensboro Health Disparities Collaborative meetings.

COMMUNITY VOLUNTEER EXPERIENCE

- 2010 - Present -- Founding Associate Member / Community Educator at Sisters Network -- Greensboro Chapter
- 2008 - Present -- People of Color Caucus – Guilford Anti-Racism Alliance
- 2007 - Present -- Former Co-Chair at Greensboro Health Disparities Collaborative

DISSEMINATION

** Professionally recorded as **Christina Hardy** (2002-2015) and **Christina Yongue** (2015-present)
